unknown stream type 0x13 and other weird messages

Posted by Sclieu Yu - 29 Sep 2010 - 03:05

I have several dumps on a system that always shows the following messages logged. Does anyone know what this indicates (in bold):

Loading Dump File
User Mini Dump File with Full Memory: Only application data is available

WARNING: Minidump contains unknown stream type 0x13
Comment: '1st_chance_Process_Shut_Down_exception_in_VWJS.EXE_running_on_USDAWAPP1003'

Windows Server 2003 Version 3790 (Service Pack 2) MP (16 procs) Free x86 compatible
Product: Server, suite: Enterprise TerminalServer SingleUserTS
